Message From the President

Submitted by Susan Scherber

Here it is May all ready. I just cannot believe how fast the year is going. I hope the weather gets better for us all, so we can get out there and get ready for the Hunt Test coming up June 18. Dan Feisthommel has secured training grounds for our members... be sure to check out the information under the **May 15 General Meeting Announcement**. It will be a great opportunity for those who want to learn what a hunt test is all about and put some of those instructions to use. Also, we will be socializing and grilling brats.

Our **June 18 AKC Hunt Test at Bong Recreational, Kansasville, WI** will soon be upon us. Be sure to check our website for information regarding the test. Entries to the test may be made at <http://www.entryexpress.net/>. Be sure to check out **VIEW Premium** for directions and added information. Plans are well underway for the event, but we would love more volunteers. Please call Steven Scherber at 608-882-5550 or email him at sunshinegold@litewire.net if you would like to volunteer.

Our **Sunday, August 14 WC/WCX** is being organized by Dan

Feisthammel. We will have one set of judges for both setups. It will be easy for entrants to run in both tests without having to run between two tests. Spectators will also be able to see the dogs run in the WC and the WCX. The Tests will be held at Bong Recreational Park in Kansasville, WI.

Our September 11 meeting will be held at WWCDTC in Ixonia, WI. I hope we have all been working on the obedience of our Golden companions since the demonstration we had at our March meeting. The September

program will feature Jan Nyland and Sandy Flaaten evaluating dogs who are trying to earn their CGC titles. We hope to have a great turnout. The club will only be charging a \$5 entry fee for the evaluation. Sandy Stoller will be taking orders for Sub sandwiches. An order form will be published in our August/September newsletter.

Mark **October 22 and 23, 2011** on your calendars. BGRC's obedience/rally trials have been approved by AKC and will be held in Ixonia. This will be a great fundraising event for BGRC.

The board met on April 27 to finalize plans for 2011. As always, we need help to make club events a success. We need help at each and every event the club holds. So if you can help with the Hunt Test, WC/WCX, our education events, the October BGRC's Obedience/Rally trials, or in any other way, please contact a board member or volunteer at one of our general meetings.

Do not hesitate to contact any board member if you have ideas or suggestions.

Hunt Test Training Group/ May Meeting and Picnic

Submitted by Susan Scherber

Club members have inquired about how to train their Golden for AKC and HRC Hunt Tests.

Dan Feisthammel, BGRC Field Director, has organized a plan for the Badger Golden Retriever Club to train on great grounds with water and land by working together with the Badger State HRC Club. To train on BSHRC grounds, you would have to join the BSHRC. The fee is minimal compared to other clubs or training grounds.

A BSHRC membership application is enclosed in this newsletter as well as directions to the training grounds.

For our first get together on May 15, membership in BSHRC is not required. Dan has secured the training grounds. We can use the west side at Ottawa and he will be getting a permit from the Ottawa Field Trial Association. We can also use one of the properties that Badger State HRC has privileges to. We can use live flyers in training. Dan can obtain some birds if the club members would like to go that route. We will let club members know the cost and

they can order what they need by email prior to the training date.

Golden Retriever Foundation Pays for Senior Cerfs!

March 2011 GRF Updates
The Golden Retriever Foundation

(GRF) is very excited to announce that plans have been finalized to pay for CERF registrations for Golden Retrievers 8 years and older!

CERF, as most of you know, stands for Canine Eye Registration

Foundation. We are very fortunate to have an online database via CERF and the Orthopedic Foundation for Animals (OFA) to research health issues in our dogs as well as their ancestors. The GRF will pay for CERF registrations for any Golden 8 years and older to be added to these online registries.

With the designation of Pigmentary Uveitis (PU) as a very serious hereditary disorder in Golden Retrievers about a decade ago and the realization that most dogs with this serious condition will not present with the disease until after many are no longer being bred, the newest recommendation is now to check dogs annually for life. Because the average age of onset for PU is 8 years old, the new recommendation, from GRCA's Health & Genetics Committee, is that all Golden Retrievers that have been used in a breeding program have their eyes checked and registered for their lifetime with CERF. It used to be common practice to only clear dogs' eyes that were being used for breeding so most were no longer being checked when the disease normally expresses. Additionally, many people never sent the form into CERF for the online database at all.

To assist Golden breeders in making informed breeding decisions, the recommendation is to permanently register these results in a public forum such as CERF. Then breeders can research pedigrees to make more informed breeding decisions in a factual manner even if the owners are no longer able to be contacted. CERF shares results with OFA so the information is recorded there as well. We also want people to know that any eye (or heart) failure can be sent in to OFA and listed for free.

Realizing this recommendation is now asking owners to register dogs that were often not even being checked, much less registered, the GRF decided to pursue helping out with the dogs who have traditionally been least likely to be checked but are most at risk of having PU due to age. Additionally, since Pigmentary Uveitis is such a serious disease leading to pain and often glaucoma and/or removal of the eyes if not caught early and treated, we also want to encourage everyone with older dogs to get them checked even if they have never been used in a breeding program. Paying for the registration is our way to encourage and support this effort. The program involves printing out a simple voucher to be included with the CERF form you send in for registration in the database. It is understood that all dogs will be included in the public database so the owner must agree to results being published. We encourage everyone to share the information about the voucher with all Golden owners. If your club is holding a health clinic, please print some of these vouchers to have on hand as well. The voucher will soon be available on both the GRCA and GRF websites but you can get a copy now by clicking on the following link:
<http://www.goldenretrieverfoundation.org/>

Let's all work together to help reduce the occurrence of this painful eye disease.

Raffle/Silent Auction 2011

Submitted by: Sandy Flaaten,
Chairperson

Another great year for our Specialty Raffle and Silent Auction. Thank you to everyone for your donations – CLUB MEMBERS, local merchants, and national merchants. It is absolutely amazing when working together, we can accomplish good things for our club, for our breed, and for the "world of dogs"! Thank you to everyone for supporting our Raffle by purchasing tickets or bidding on an item at the Silent Auction table.

On the *Raffle tables* were 25 baskets/day; on the *Silent Auction tables* were 8 wonderful items. We grossed \$1,600 from the 2-day trial!! All of the donated items were put into groups by theme, then tied together to make lovely baskets. What fun for everyone to find something they might like to put their tickets in for!

A huge thank you goes to Deb Lukasik and GRRoW for joining us again. Deb helps me set the tables on Thursday, then offers much welcome support on show days. Chris Getter and Karen Szymanski are in the field gathering goods.

Then, at the tables were Chris, Jan Nyland, Carol Pacetti, and Mary Glenn selling tickets and selling our Club!

How can you help next year? Join us by donating items from your collections... "Golden" plates and pictures, or anything having to do with dogs, including books and toys, treats and. You find it, I will use it! Also, go to your favorite restaurant or store and ask for gift certificates, or for a donation. I will put together a donation letter with our tax #, so copies will be available for you to pass out, hopefully by the November meeting. Give me a call if you have any questions, or you want me to store items you have found for next year.

And last, but certainly not least, is a huge thank you to Sandi Haessler, Specialty Chair, and to Joan Kaml, Specialty Secretary. These two work many hours behind the scenes to make this show a success. Remember to thank them.

THANK YOU, all of you, for your donations.

GRCA Junior Achievement Award

Each year, the GRCA gives out an award to honor a well-rounded junior who has participated in a variety of activities with their Golden. Past winners have titled dogs in obedience, the field, agility, conformation and have participated in Junior Showmanship. They have completed 4-H projects and used their Goldens in school projects and papers. Others have raised money to support K-9 forces and other local dog organizations in their community.

Please look around your club, community, schools, and 4-H groups for deserving juniors to nominate! We welcome any

sponsor, parent, or junior to submit information outlining the junior's accomplishments. Any supporting material – transcripts, copies of ribbons, newspaper clippings, certificates, etc. - that verifies the nomination is welcome.

The junior, his/her parents, or sponsor must be a member in good standing of the GRCA. The award recipient will receive a plaque and \$250.00 savings bond.

Information about the award can be viewed at:
