- Do all in its power to protect and advance the interests of the breed by encouraging sportsmanlike competition at dog shows, field trials, obedience trials, and tracking tests;
- Conduct sanctioned and licensed specialty shows, field trials, and tracking tests under the rules of the American Kennel Club and WC/WCX tests under the rules of the GRCA; and
- Support and further the interests of the Golden Retriever Club of America.

## Message From the President

Submitted by Bill McEachern

Thank you to everyone who helped out at our booth at the Scottish Highland Games over the Labor Day weekend and especially Deb Klemp for organizing and coordinating our participation. Thank you also to Steve and Susan Scherber and Lisa Conigliaro for representing us at GRRoW's Tails on Trails Dog Walk on October 10 at Lapham Peak State Park. We cannot have a presence in the community and promote our wonderful breed without such dedication from our members.

As we get closer to our March Specialty, fundraising becomes very important. We rely on the Specialty and summer field events to generate cash to sustain our club and realize our goals (see sidebar). As you know, with the change in location, we need to purchase ring mats. This is a sound investment for the future and builds on our inventory of jumps, ring gates, and field equipment. But it comes at a cost.

Your board discussed a variety of fundraising activities at the last meeting and I want to share them with you here. If each member raises some funds by participating in any of the following activities

we will be in great shape:

- ✓ Buying and selling T-shirts during our fall fundraising event. See the sale flyer included with this newsletter for details. Why not make a few copies and pass them along to friends, distribute them at shows you attend, or think about doing some early holiday shopping yourself!
- ✓ Attending, and encouraging your fellow handlers to attend, the Correction Show & Go Obedience Match on January 17, 2010. An entry form is included with the newsletter.
- ✓ Selling or purchasing Specialty catalog advertising: We need all members to solicit ads or consider an ad themselves to recognize a special Golden, their kennel, or a brag. Ad

rates are modest at:

Full page color: \$50

Full page black & white: \$40

Half-page color: \$30

Half-page black & white: \$20

Calling card: \$10

Contact Joan Kaml for further information on submitting ad copy.

- ✓ Supporting the Specialty Raffle through a donation, raffle ticket purchase, or volunteering your assistance. Contact Sandy Flaaten for details or to volunteer.

Information and order/entry forms are available on the website. Pick an activity you're comfortable with and support your club!

The November meeting features our annual chili dump. The board decided not to schedule a program so members would have a chance to socialize and catch up on the news. I hope to see you all there!

And finally, please consider volunteering to help with the March Specialty if you have not already done so. Your club needs your support!

## BGRC General Membership Meeting Minutes Emergency Veterinary Service Waukesha, WI September 20, 2009

The meeting was called to order by Vice President Pat Smith at 7:00 pm. Pat asked for a motion to approve the previously published minutes from the July 19, 2009 General Membership Meeting. Sandi Haessler so moved; Sandy Stoller seconded. The minutes were unanimously approved.

**President's Report:** Pat thanked Deb Klemp for coordinating the Highland Games and all volunteers participating in the Highland

Games. Pat also thanked all of the volunteers at the Hunt Test and WC/WCX. Pat thanked Jan Nyland for volunteering to fill the vacant At Large board position. Pat also thanked Wendy Biewer for her work on Badgergold concerning the pending legislation, AB 250. Wendy will be able to answer questions and talk about the legislation at today's meeting. Bill encouraged members to attend the upcoming DFOW meeting. Pat mentioned that the next BGRC event is the GRRoW Walk In the Park in October being coordinated by Susan and Steven Scherber.

**Secretary's Report:** Carol said she has contacted Ellen Hardin to list the two-day BGRC Specialty in the GR News Events Section. Details will appear in the November-December 2009 issue.

**Treasurer's Report:** Joan said there is a positive balance in the checking account. She mentioned the Hunt Test and WC/WCX both made a profit. Joan also mentioned the invoice for the dumpster has been paid.

### Committee Reports:

**Specialty:** Sandi Haessler said some volunteers are still needed. She said information about the Specialty should be put in the newsletter and on the website. On March 5, 2010, the judges are Janice Provenzano for Conformation; Candice L. Nee for Sweepstakes; Michael Carlucci for Obedience. On March 6, 2010, the judges are: Lisa Schultz-Halcomb for Conformation and Junior Showmanship; Carlin Rasmussen for Sweepstakes; and Anna Lorenz for Obedience.

Sandi asked for a budget of \$150, for decorating which will be discussed at the next board meeting. Sandi said all crating and grooming can be on the main

floor. The raffle will also be on the main floor.

Joan said money is needed to pay for mats. Selling raffle tickets by club members was mentioned. Dan Feisthammel explained a 50-50 raffle he was familiar with. Pat asked Dan to send that information to Bill or board members.

**Membership:** Sandy Stoller said she sent out several applications to prospective members but none have been returned to her.

**Breeder Referral:** Pat Smith said she was leaving the Breeder Referral Program and that Edell Schaefer would be the Breeder Referral contact person.

**Field:** No Report.

**Conformation:** No Report.

**Obedience:** No Report.

**New Business:** Sandi and Joan talked about selling generic dog T-shirts and sweatshirts to help support the Specialty. Sandi suggested that each member sell ten items. Joan said she would order samples to present to the membership at the November meeting which usually is the largest meeting. Wendy Biewer said the DFOV members support the present bill. The hearing is Wednesday at the State Capitol. Pat thanked Wendy for her work with Badgergold and the DFOV.

Pat proposed giving Dr. Hageny a gift card for her presentation. Joan said she would check to see what was given to the last speaker. Pat explained the phone line for the club in conjunction with Breeder Referral. Most calls are through the Breeder Referral Line. She suggested discontinuing the phone line and putting the information on the website. Currently, the phone line costs \$18 per month. This will be discussed at the next board meeting.

**Old Business:** None.

**Next Meeting:** The next meeting is on Sunday, November 15, 2009. It will be the annual Chili Dump. Details will be in the October/November newsletter.

**Adjournment:** Sandi Haessler made a motion to adjourn; Jean Taylor seconded. Motion unanimously carried. The meeting was adjourned at 7:40 pm.

Respectfully Submitted,  
Carol Pacetti, Secretary

Beats passed back to back Senior Hunt tests at the Michigan Flyway Hunt test in Williamston, MI, on Sept 19-20 to complete her Senior Hunter title. I am very proud of her work and she got many nice compliments from her judges. It has been a real adventure to learn and teach handling to a dog without the use of an e-collar, and well worth the results. The gallery and judges alike loved it when Beats would leap up and grab my hat after her work was done for each series, showing her animation and her love for the game!!”

## Reflections on the Scottish Highland Games

Submitted by Deb Klemp

As I left the Highland Games today I zipped home to air the guys, and then immediately went to the health club to swim laps. I needed to clear my thoughts about the past two days' activities, and to soothe my tired achy body. I often-times talk to myself when I swim laps so I asked the big question: “Self, why do you do the Highland Games?” and my answer surprised me because the Highland Games provide a “classroom” for the community, and I decided to share it with you.

The Games activity is far more than BGRC fulfilling an educational requirement, and it is even more than the camaraderie among members, and the time spent with our Goldens. This is what I saw in my mind's eye as I reflected on the last 2 days:

1. It's watching the interaction between a kid and your dog. The questions that the young person asks, "what is his name?" and "how old is he?" Good life skill: communication skills between adult and child.
2. The child who is so anxious to pet the Golden, but whose parent is now teaching him how to approach a strange dog, and to ask permission first from the owner. Another good life skill.
3. The really small tot whose parent is now showing the tot how to gently stroke a Golden...not just another life skill but also an opportunity for parent to interact with child in a positive way.
4. The adult who comes and shares his perhaps recent loss of their Golden...the healing process.
5. The many questions that we are asked about "What is BGRC? What do you do? I have a Golden, how can I join?" Another opportunity for us to grow as a club.
6. The shy child who wanted his "passport" stamped but had trouble mustering the courage to ask, but whose parent encouraged him to ask, to risk and talk to an adult. A break through for the shy kid.
7. Then I thought about the variety of people who put their hands on our Goldens these past two days: different races, people with different accents, and individuals with physical or emotional limitations, and our Goldens never batted an eye, just offered fun and playfulness.

So I figured out why I like to do the Highland Games...it's much more than PR for the club.

It's just one more of life's classrooms. Think about circling Labor Day weekend on your 2010 calendar and join us next year at the Scottish Highland Games.

## A Dog's Purpose

Being a veterinarian, I had been called to examine a ten-year-old Irish Wolfhound named Belker. The dog's owners – Ron, his wife Lisa, and their little boy Shane – were all very attached to Belker,

and they were hoping for a miracle.

I examined Belker and found he was dying of cancer. I told the family we couldn't do anything for Belker, and offered to perform the euthanasia procedure for the old dog in their home.

As we made arrangements, Ron and Lisa told me they thought it would be good for six-year-old Shane to observe the procedure. They felt as though Shane might learn something from the experience.

The next day, I felt the familiar catch in my throat as Belker's family surrounded him. Shane seemed so calm, petting the old dog for the last time, that I wondered if he understood what was going on. Within a few minutes, Belker slipped peacefully away.

The little boy seemed to accept Belker's transition without any difficulty or confusion. We sat together for a while after Belker's death, wondering aloud about the sad fact that animal lives are shorter than human lives. Shane, who had been listening quietly, piped up, "I know why." Startled, we all turned to him. What came out of his mouth next stunned me. I'd never heard a more comforting explanation. It has changed the way I try to live.

He said, "People are born so that they can learn how to live a good life -- like loving everybody all the time and being nice, right?" The six-year-old continued, "Well, dogs already know how to do that, so they don't have to stay as long."

Live simply.

Love generously.

Care deeply.

Speak kindly.

Remember, if a dog was the teacher you would learn things like:

When loved ones come home, always run to greet them.

Never pass up the opportunity to go for a joyride.

Allow the experience of fresh air and the wind in your face to be pure ecstasy.

Take naps.

Stretch before rising.

Run, romp, and play daily.

Thrive on attention and let people touch you.

Avoid biting when a simple growl will do.

On warm days, stop to lie on your back on the grass.

On hot days, drink lots of water and lie under a shady tree.

When you're happy, dance around and wag your entire body.

Delight in the simple joy of a long walk.

Be loyal.

Never pretend to be something you're not.

If what you want lies buried, dig until you find it.

When someone is having a bad day, be silent, sit close by, and nuzzle them gently.

ENJOY EVERY MOMENT OF EVERY DAY!

# **Badger Golden Retriever Club, Inc. Breeder Referral Program 2010**

The time has come to update the BGRC's Breeder Referral Directory. This letter will serve as an introduction to the program and an update on the requirements for participation as established by the BGRC Board of Directors.

***Breeder Referral is primarily a public education service that helps people make educated decisions about buying a Golden Retriever puppy.*** It is much more than just helping breeders sell puppies! The program is ***designed to educate*** the public and discourage people from purchasing dogs from non-reputable sources. It helps people make educated choices about getting a Golden Retriever and makes sure they have the information they need to successfully raise a dog. Hopefully this program makes strides in preventing impulsive and unwise puppy purchases which result in the kinds of situations that require rescue. We sincerely believe that a sound referral program can pave the way to improving the future of the breed.
